

## Appointments at the Asylum Service to Complete Registration

The appointments listed on the following pages are for everyone who has pre-registered for asylum. All persons who have pre-registered will be summoned to an appointment at the Asylum Office or Unit located closest to the address provided. This appointment is the next step in your application for asylum in Greece, for family-reunification or for relocation elsewhere in Europe.

Please find your **registration number** in the list below. It is very important that you find your **registration number** and NOT your card number! Both numbers are listed on your asylum seeker card.

Along with your registration number, you will find the date, time and location of your appointment. When it is time for your appointment, you must come to the indicated Asylum Office at 07:30 together with all your family members, including all children and infants. Make sure to bring all your documents with you.

If you miss your appointment you will have to restart the whole process via Skype.

If you have moved to a new location after the pre-registration process, you can find a list of all registration numbers and appointments online at Asylum Service website – [asylo.gov.gr/en](http://asylo.gov.gr/en)
